## About Us

The Heathmont Baseball Club was established in 1969 and has participated as a member of the RDBA, VWBL and MWBL since that time. Our club is the winter home of many State, National and Olympic representatives, along with many players that have been signed internationally.

We have a long and proud history of supporting the local community by providing a fun and inclusive atmosphere to play baseball. We welcome all players, spectators and supporters to join and become involved in the sport and the club.

Played at the purpose built facility at Heathmont Reserve, The Heathmont Penguins have won 6 of the past 10 A Grade (Div 1) Premierships and many junior and senior grand finals along the way.

Established 1969

Juniors and Seniors

Males and Females

11+ Teams

140+ Participants

80+ Juniors

## Introducing the Women's Program: A New Era Begins!

At Heathmont Baseball Club, our women's program is focussed on inclusivity and empowerment in sports. Our aim is to provide female athletes with a platform to develop their skill, compete at high level and be part of a supportive community.

By launching this initiative, we hope to inspire more young women to engage in baseball, promoting gender equality and diversity within the sport. We are dedicated to creating a nurturing environment with quality coaching and resources, ensuring every player can thrive and reach their full potential.

COMBINED TRAINING SESSION WITH  
HEATHERDALE CRICKET CLUB AND THE  
HEATHMONT BASEBALL CLUB

The Fastest Growing Junior Program in the League!

Our goal is always to maintain a strong, successful and sustainable, family-oriented baseball club. One that is recognised by the community and our peers to have a healthy and passionate culture, a baseball program of the highest standard, a tremendous amount of team spirit with a winning culture. We strive to help players grow and develop from across all spectrums of age, gender and ability.

Through innovative methods of encouraging and promoting the sport of Baseball in our community - and through the provision of the highest standard of training, coaching and support - the Heathmont Baseball Club is delivering these goals. We have achieved rapid growth and success in our junior programs, in 2024 we were the fastest growing junior program in the league!

## Where does our sponsor funding go?

100% of sponsor funding is invested into club running costs to make Heathmont Baseball Club the best club it can be, whilst enabling us to keep the cost of access and participation as low as possible for our members. In particular, needs such as:

-  Development and growth of our junior programs, encouraging young and excited children to participate in sport and be active. This includes running coaching sessions at local Cricket clubs for recruitment
-  The planning of foundations, facilities and key requirements to support the creation of the first ever Heathmont Baseball Club Womens program.
-  The continued investment into providing the best possible training equipment for all players to train and develop.
-  A consistent investment into club culture, community involvement and partnerships.
-  Maintaining investment into our facilities and club offerings.
-  General gameday expenses (eg. match balls and umpires) and general Grounds and Facilities maintenance expenses.
