

Heathmont Tee-ball Program 2026

Tee ball will run on Friday at 5.00pm for approx. 60mins.

Tee ball is a skill development program designed for children aged 4-7 years. While there is no formal competition, the season will include fun games and activities, culminating in a Gala event where our T-ballers will have the opportunity to play against other clubs in the district.

Based on feedback we received last year, we understand that many kids wanted more baseball opportunities and expressed concerns about the long gap between winter and summer programs. To address this, we are offering an extended T-ball program during Term 2 and/or Term 3. This gives players the flexibility to choose if they want to participate for one or both terms and ensures the program runs closer to the summer season, creating a more seamless baseball experience for your child. Each term will run for 8 weeks (weather permitting), providing a total of 16 weeks of T-ball, compared to the usual 10. Please see the dates below
